Mike and his wife, Bonnie, former Summer Buckeyes & Winter Texans, have graduated to being full-time Texans, residing at Pharr South, a gated, retirement community in the heart of the RGV's square dance country.

Mike & Bonnie began dancing in Central Ohio during 1987, but really did not get into the square dancing activities seriously until after his retirement from the telecommunications industry in 1997. Mike began his calling "career" in 1999 as a part-time local caller for various clubs in the Central Ohio area. After a second retirement from a 10-year stint as a greens-keeper at a local golf course, and after spending 3 seasons as Winter Texans, Mike & Bonnie now call the Rio Grande Valley their "HOME".

Mike now calls a limited 3-day-a-week schedule at the Pharr South Activity Center, during the RGV's summer season from April through October.
